## Spesifikasi Teknik :

| No | ITEM              | Unit | Data       |
|----|-------------------|------|------------|
| 1  | Rated Voltage     | KV   | 24         |
| 2  | Rated Current     | A    | 100        |
| 3  | Breaking Current  | A    | 10.000     |
| 4  | Impulse Voltage   | KV   | 150        |
| 5  | Power Frequency   | KV   | 65         |
| 6  | Creepage Distance | MM   | 550        |
| 7  | weight            | KG   | 4.5        |
| 8  | Dimensions        | CM   | 51x34x11.5 |

Mounting bracket, Adjustable  
For 3" x 4" to 4" x 5" crossarm,  
Furnished only when catalog  
Number suffix "B" or "C" is specified

Optional parallel  
Groove connector shown  
Furnished only when  
Catalog number  
Suffix "d" is specified 25 1/2.

Note:  
\*Add connector suffix per table 1.  
\*Dimension shown is for "C" suffix (name "B" bracket.)  
Dimension is 53/16 for "B" suffix fuerite extended bracket.  
"D" suffix only.

Table 1

| Connector suffix |   |                    |
|------------------|---|--------------------|
| Type connector   | wire size   | Catalog no. suffix |
| Parallel groove  | Number solid cu. thru 250KC will<br>standed cu. or 4/0 acsr | -D                 |
| Eye bolt         | No. 6 solid cu. thru 2/0<br>standed cu. or al.              | -J                 |
| Eye bolt         | No. 6 solid cu. thru 250KC will<br>standed cu. or 4/0 acsr  | -M                 |

Table 2

| Style               | Rating  |         |          | Leakage distance to<br>gro. Minum inches |
|---------------------|---------|---------|----------|--|
|                     | Catalog | KV. Nom | BIL Amps |  |
| Extra heavy<br>duty | RTF     | 25      | 150 100  | -D                                       |
| ultra heavy<br>duty | RTF     | 25      | 150 100  | -J                                       |
| Heavy<br>duty       | RTF     | 14.4    | 150 100  | -M                                       |
